**MEMBERSHIP OATH.**

I, ..... holder of national identity No.....  
having been notified of the admission to the P.D.O., do hereby bind myself solemnly and undertake to  
comply with the following rules;

1. Love and peace are core. Anyone who shall threaten the peace of P.D.O shall be subject to expulsion.
2. Members should avoid irrelevant texts on the WhatsApp group at all costs. This would help to stick to the main purpose of the group.
3. Members should not spam the group with irrelevant links and political issues. As directed by the executive team, this would result in a suspension of three days or more.
4. Members should politely excuse themselves before leaving the group. This would help to closely monitor the active members.
5. Members should avoid having private conversations in the group.
6. No use of local dialect in the group. English and Swahili are the only acceptable languages. Going against this would earn one a suspension of three days or an expulsion if it persists.
7. In any case of an inquiry, advice, or clarification, a member should inbox a leader to avoid causing a commotion in the group.
8. A member is accepted to bring his/her link for support(contributions) only after getting approval from an executive. Going against this would have the link revoked.
9. Every member is under the law. Anyone who goes against the P.D.O. rules are subject to expulsion.
